Ms. Oxford

Mr. Chauvin

To the Class of 2016,

As we go our separate ways, let us not forget to look back on the past four years. Throughout our time at Tri-County, we have learned a lot about each other and about ourselves. We came into Tri-County as fearful freshman not knowing what to expect. We were scared that we would not find our niche. Going through the exploratory process, we met each other and made friends. We started to feel like maybe high school was not so scary after all. Sophomore year, we started to develop relationships with the people in our shops. We became more comfortable and began letting our true colors shine through. Junior year, we wrote our senior project papers and looked to our friends for moral support to get through the stress, we became more comfortable with ourselves in school in our last year. Senior year was the most important and most memorable year for the majority of us. We realized that our high school career was coming to a close. We presented our senior projects and had our last class trips. Throughout our time at Tri-County, we have matured and learned a lot about ourselves and peers. The life lessons learned in these halls of Tri-County will be carried with us throughout our lifetime and will never be forgotten. This was not the end, but just the beginning of our journey.

Congratulations!

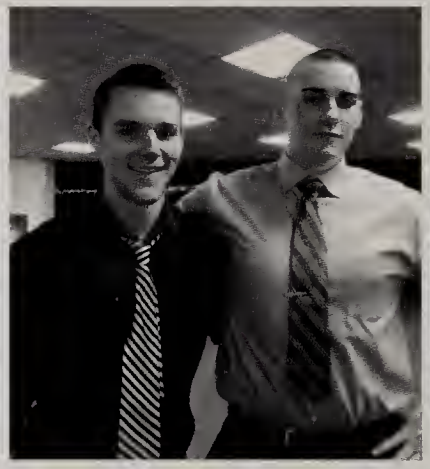
Best regards,

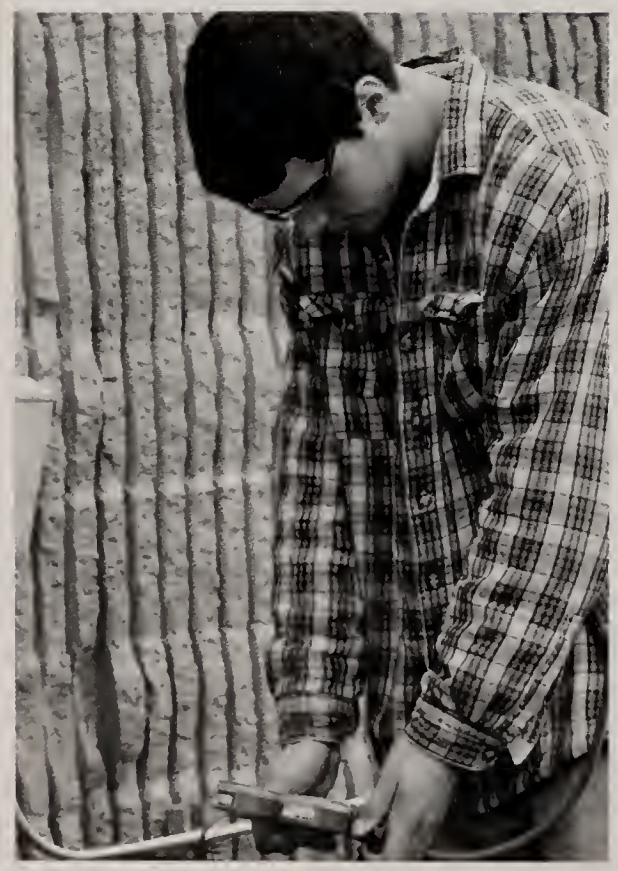
Stephanie Brousseau, President

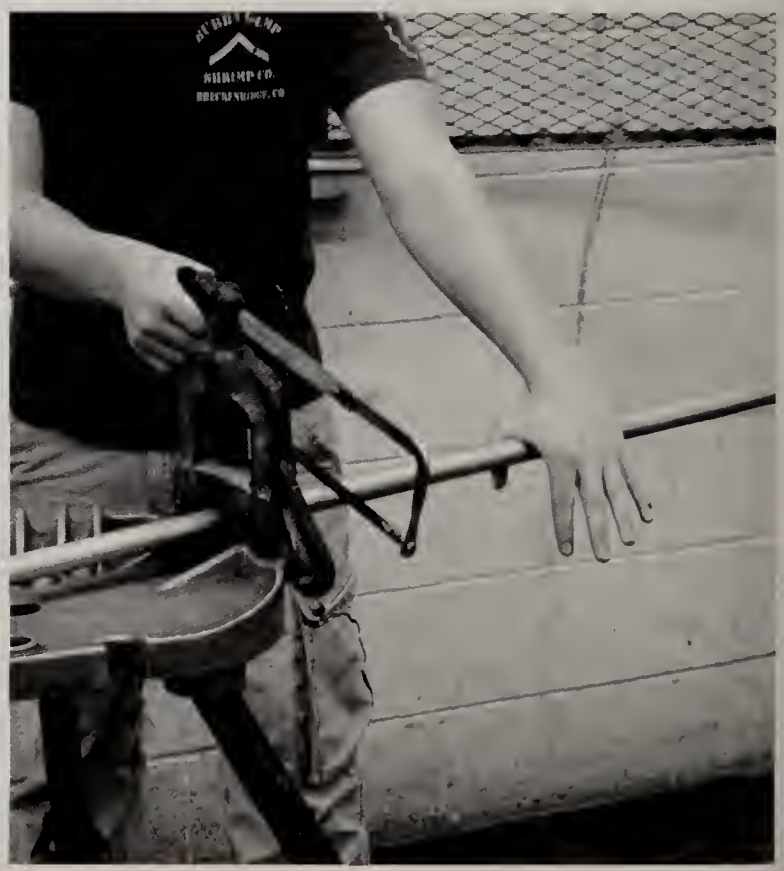
Kelsey Maynard, Vice President

Nathan Weidman, Treasurer

Good Luck, Class of 2016!







thank you!

Mrs. Barbara Wnuk
Guidance Counselor

Barbara Wnuk began her career at Tri-County in September, 1978 as a Math teacher. After several years in that position, she decided to pursue her degree in Guidance. When a position became available here, Barbara was hired as the Freshman Guidance Counselor. She will be remembered as the "pied piper" of the freshman class, since every lunch period she would have a long line of ninth graders waiting to see her. Although she said they were there to get exploratory grades, we all knew why students stood by her door. She had an infectious smile and an engaging demeanor. She always found time to sit with students, learn about their interests and listen to their "stories". Mrs. Wnuk spearheaded one of the most popular fundraisers at Tri-County- the Santa Foundation Holiday Gift Drive. Students and teachers in the vocational programs "adopted" a child for the holidays and bought mittens, hats, toys and winter clothing, wrapped them and placed them in large decorative bags. Santa arrived before we left for the Holiday break to collect the bags, which filled the back of a pickup truck, and delivered them to the children and their families. Everyone from secretaries to custodians pitched in to bring joy to needy children. Mrs. Wnuk was the driving force behind the success of that event. Barbara spent almost her entire adult life working at Tri-County and will be missed greatly by all. Thank you and happy retirement Mrs. Wnuk!

Ms. Jean Mallon
Principal

Jean Mallon began her Tri-County career as Director of Guidance in November of 2001. She held that position until August of 2010 when she stepped in as Interim Principal, and soon after, in April of 2011, became Principal. Jean came to Tri-County with a strong sense of giving back, as she entered the Peace Corps as a volunteer teacher in Barbados, West Indies for two years early on in her career. She then moved to Pennsylvania and taught business education. As Jean continued to pursue her administrative career, Tri-County was fortunate that she came here to positively impact the lives of teachers, and students. If you ask any staff member they will tell you that Jean's dedication to all students and their needs was her priority. She was seen almost daily at a Tri-County sporting event. She had a special place in her heart for the cheerleading squad. Jean consistently modeled qualities most valued by any educational institution, including honesty, integrity, outstanding work ethic and a passion for excellence. Her leadership guided the administrative staff to emulate her professionalism and high regard for all who entered Tri-County. We wish Ms. Mallon well as she continues to enjoy her love for the arts and gardening. We know she is looking forward to spending lots of time with her husband, Bob and her grandchildren.

Mrs. Jane Sullivan

Samantha **Bowman**

To our beautiful daughter Samantha Rose,
As you graduate, we want to tell you how proud we are of the wonderful woman you have become. We have every confidence you will succeed in all your hopes and dreams for the future. We will support you in any way we can, help you when you need help, and to cheer you on when you need those little words of encouragement, as you go out into the world and spread your wings.

Wishing you the best on your new journey!
Love always,
Mom & Dad

Samuel **Lacasse Jr.**

Since you were a young boy, you have always had an interest in putting things together and working with tools. Knowing that, we always tried to teach you the right way to do things. Whether it was playing air soft, using power tools or driving a vehicle, safety was always the first thing we encouraged and top priority. As shown in this photo (wearing goggles) you never had a problem with this idea of safety.

As you are preparing to graduate from Tri-County Vocational Technical High School, we wanted to let you know how proud we are of you. Though it has not always been easy on us to push you forward in all of your studies, we hope you truly understand why we did it. Even though you are an adult, we will continue to encourage you to do great things. Graduating high school is not the end but the beginning. So please continue to be who you are! You are a caring, honest, and intelligent individual. Please continue to keep safety as a top priority in everything you do.

We love you so much!!
Mom & Dad

Dominic **Hawkins**

Dom,
Stand tall and proud while getting your diploma. Reflect on the hard work that got you to this stepping stone in your life. Remember the many smiles and laughs you shared with those that you have built lifelong friendships with. Remember the teachers and coaches who believed in you even when you didn't believe in yourself. Most of all, always remember that, in the past four years, you have grown from that freshman trying to find his place in school to the graduate you are today! You are so much more than you think you are! You are an Infantryman in the US Army! You are a Special Olympics coach! You are an athlete! You are a best friend! You are an amazing big brother and most of all, you are more than I could ever imagine in a son! I hope you know that you are loved and admired by so many! I know your future is bright. It fills my heart with pride to call you my son and Jojo's brother!
Love,
Mum and Jojo
